

Brazil The Original

2nd Nov – 16th Nov 2019

from £ 1299

Easyriders windier home away from home!

We've spent the last 10 years making Icaraizinho, on the north-eastern coast of Brazil our South American home for a few weeks of the year. And it certainly shows in our 2 week trip; from friendly locals at the pousada and the restaurants to the quiet still-secret kiting spots, where the only other people you will see are fisherman driving along the beach with that mornings catch slung over the back of their bike. We know this place like the back of our hands!

The Down low

Fly in to Fortaleza Airport, 2.5hrs transfer from Icaraizinho. This coconut farming town will be your home for the 2 weeks; staying in a lovely posada right on the beach that we have to ourselves. Based on 2 people sharing. Fresh breakfast every day and a beer fridge in each room.

Day to Day

There will be 4hrs minimum coaching daily available (usually more like 6!) to everyone topped and tailed with guided up or down winders for those with the energy. With the option of booking in some 1 on 1 tuition to nail those latest tricks. Lunches are spent either at nearby local beach restaurants or we take a packed lunch to get optimum kiting hours in. Brazil is our most consistent wind location, it will most likely be 9m weather every day, however 7's & 12's isn't unheard of. Icaraizinho – it's close to the equator – its HOT! Plenty of sun cream & long sleeved rash vests are a must; you can leave the wetsuits at home.
