Easyriders windier home away from home!

We've spent the last 10 years making Icaraizinho, on the north-eastern coast of Brazil our South American home for a few weeks of the year. And it certainly shows in our 2 week trip; from friendly locals at the pousada and restaurants to the quiet still-secret kiting spots, we know this place like the back of our hands!

This is our most consistent wind location, with at least 4 hours coaching available daily, guided up and down winders you'll have more water time than you know what to do with.

Travel Logistics

Icaraizinho is located just 2.5hrs from Fortaleza airport. Flights come in to here daily via Europe and via Sao Paulo. Once in Icaraizinho, we are based here for the two weeks in a lovely pousada in the edge of town. There are then countless kite spots to do day trips to, as well as kiting in the bay out front where we will offer 4hrs minimum coaching daily (usually more like 6!). This is top and tailed regularly with guided up or down winders for those with the energy. Lunches are spent either at nearby local beach restaurants or we take a packed lunch to get optimum kiting hours in. Brazil is our most consistent wind location and the best place to progress your kiting whatever level you start at.
